[Vaccine mission: Co-WIN app slips up again, some states waive its](#)

[use](#) Designed to be the digital nerve centre of India's Covid-19 vaccination programme, glitch-prone Co-WIN failed to inject integration efficiency into the massive nationwide exercise for the second consecutive day. Some states faced minor glitches on Monday that were quickly fixed, but most struggled to get going in the face of data lag, erroneous communication or total system failure.

[Vaccine warning for people with med conditions](#)

Earlier, the government had said patients on immuno-suppressants or suffering from immune deficiency could take the vaccine though the response was expected to be less effective in such individuals. Usually, cancer patients on chemotherapy, HIV-positive people and those on steroids are immune-suppressed.

[15 labourers crushed to death in Surat](#)

Fifteen people from Rajasthan were crushed to death after they were run over by a truck in Surat's Kosamba late Monday night, police said. All the deceased were labourers hailing from Banswada district in Rajasthan, police said. Thirteen died on the spot and two succumbed to injuries in hospital. During the time of the incident, the labourers were sleeping on a footpath.
